Talk to us today about the La-Z-Boy Health & Wellness special pricing and product specifications.

Plus, discover how you can build your own personalised reclining experience by adding customisable options and upgrades from a wide range of fabric or leather coverings.

Our classic **La-Z-Boy collection** is now tailored and enhanced to suit the requirements of those most in need of extra levels of functionality and durability. Discover a customisable range of recliners and lift chairs designed to support aging communities and individuals with specialist health requirements and long-term seating needs.

- **Enhanced mobility & assisted living** - hospital base.
- **Engineered high-performance vinyl** - iClean™ - a stain and moisture repellent, based on Nano technology.
- **Holistic body recovery & recuperation** - high base and long handles.
- **Prioritised fulfilment & delivery.**

Upheld by La-Z-Boy's unwavering commitment for quality and comfort and developed for those customers that need us the most.
