

Bluetooth Audio by La-Z-Boy®

Your La-Z-Boy® seating experience goes beyond comfort, with built-in Bluetooth audio designed for effortless enjoyment.

STEP 1: POWER ON

Connect power to your La-Z-Boy® seating.

- **2-Piece Sectional:**
Both sections must be powered and connected before pairing.
- **3 Seater, 2 Seater or Armchair:**
Once powered, proceed directly to Step 2.

An audible prompt will confirm the Bluetooth system is ready.

STEP 2: PAIR YOUR DEVICE

Enable Bluetooth on your phone or tablet and select “**CNDoer**” from the available devices. A confirmation sound indicates successful connection.

STEP 3: ENJOY THE EXPERIENCE

Stream music, podcasts, or TV audio directly through your La-Z-Boy® seating — perfectly positioned for a richer, more personal listening experience.

***If you need to reset:** Unplug the lounge, plug the connections back in, and then reconnect via your device’s Bluetooth menu.
