Chrome Rocker Recliner

**in Madras Black leather*

RRP **\$2499**

We're making a pledge to keep giving you moments of laziness you can cherish, no matter what the world throws at you, and to always put you first.

What this means is that you will see us with a new look and an emphasis that we're all about letting laziness live on in the world.

But our fresh style doesn't mean our amazing range is going anywhere ... in fact, it's only getting started!

With the help of this handy guide and the consultants at your local La-Z-Boy Store, you will be enjoying time with your family and friends on your new La-Z-Boy furniture in no time!

Today's forecast:
**100% chance of
afternoon naps.**

Experience first-class comfort. It only takes a touch of a button.

Introducing our luxurious power collections from La-Z-Boy.

The whole family will love the comfort and the added features, such as USB charger, power recline, adjustable power headrest and simple to use home button.

Power Recline

Layflat

USB Charger

Power Headrest

Also features close to wall proximity to full recline (space saver) and an optional battery back-up pack.

Movie time, date night or a relaxing afternoon nap will not be the same! Not to mention that some pieces have the ability to recline to full lie flat position, giving you an unparalleled cinema seating experience.

Or, when you visit your nearest La-Z-Boy store, test drive the zero gravity reclining position to enjoy a weightlessness sensation to relax and release tension benefiting your health and wellbeing.

Introducing the latest pinnacle in comfort technology from La-Z-Boy:

Setting the industry standard.

La-Z-Boy recliners are second to none when it comes to quality and style. Only genuine La-Z-Boy recliners put your comfort first with quality that's built to last. Each is exclusively engineered with our patented reclining mechanisms and crafted using only the finest materials.

- 1 Patented 4-sided unibody frame design that's quality engineered for lasting durability.
- 2 Provides complete support to the entire body in all positions...even while reclining.
- 3 Offers a choice of comfort that locks in place for safety and support.
- 4 Allows the seat and back to move together for natural reclining movement.
- 5 Back and legrest work together or operate independently for 16 optimum levels of comfort.
- 6 Personalises the effort needed to ease into a reclining position based on individual body type.

Options at a glance.

We've got such a wide range of models, options, sizes and coverings to choose from and not all are featured in this brochure, so if you are looking for something different please contact your local stockist, or go to our website www.la-z-boy.com.au for more information.

Glideaway recliner

La-Z-Boy's "Glideaway" action is exclusively engineered to provide a smooth reclining movement with space saving convenience. Only 152mm of space is required between the back of the chair and wall. La-Z-Boy glideaway recliners come with a Lifetime warranty on the mechanism.

Rocker recliner

Patented La-Z-Boy design offers smooth reclining motion, total body support and a three-position locking footrest. Enjoy the comfort of the rocker recliner with the added feature of a classic rocking motion. La-Z-Boy rocker recliners come with a Lifetime warranty on the mechanism.

Trigger recliner

Our trigger recliner offers smooth reclining motion and total body support with one fixed footrest position and an easy action lever.

Lift recliner

At La-Z-Boy, we offer several varieties of lift chairs to accommodate all types and level of needs. All are made to the standards you would expect of La-Z-Boy, extremely comfortable and durable with a host of features including a feeling of 'zero gravity'.

Power recliner

La-Z-Boy offers the next generation in PowerRecline. PowerRecline XR allows you to raise and lower the back and leg rest independently or together in any combination.

Upgrade to Power XR+ for additional comfort features of adjustable power tilt headrest and power lumbar support to relieve lower back fatigue and stiffness.
