Elevate your style

The Tate - where contemporary design meets cutting-edge functionality. With a touch of a button, you can recline into your perfect comfort zone. Need to charge your devices? The USB and USB-C charging capabilities are right at your fingertips.

And when you're ready to get up, the advanced 'Home Button' technology effortlessly returns the seat to its original position. The Tate isn't just a piece of furniture; it's your new favourite retreat.

Designed for maximum cosiness, the Madison is all about that sink-in, feather-soft cushion life and generously oversized feels. Soft curves and some nifty top stitching not only makes it an inviting seat, but also give your space that cosy-cool look.

BUILD
YOUR OWN

Power modular

Introducing the Stevie - crafted for those who seek not just furniture, but an experience. Feel the power beneath your fingertips as integrated motion technology effortlessly adjusts to your every whim, while USB charging keeps your world within reach. With the innovative 'Home Button', you can go from any reclined position to a neutral 'home' position at the touch of a button. And when relaxation calls for extra support, let the powered adjustable headrest cradle you in bliss.
