

## About The Range

Designed for those who crave superior support without compromising on style, the Bailey seamlessly blends ergonomic comfort with modern sophistication. Its high-back design and plush cushioning provide exceptional support while maintaining a sleek, contemporary look - perfect for effortless relaxation in any setting. Available as a static sofa or with smooth power reclining functionality, the Bailey lets you effortlessly find your perfect position at the touch of a button, while built-in USB-C charging ports keep your devices powered.

### How to measure

Get accurate measurements by referring to the below.

## Product Range
