

About The Range

A classic tub shape, reimagined for the 21st century with a subtle retro influence, makes the Franco Swivel Chair in leather a standout accent in any contemporary living space. With an inviting cradle emphasised by blind seam detailing and piped edging that wraps around the soft silhouette, the Franco Swivel Chair embodies a clean, tailored mid-century aesthetic. Poised on a sleek, matte black spoke base, with 360-degree swivel capabilities, it will be your new go-to spot for unwinding and letting the day's stresses melt away in style.
