	Dining Chair with Arms	610mm	610mm	970mm
	Dining Chair	500mm	610mm	970mm

How to measure

Get accurate measurements by referring to the below.

*Please note: variations in dimensions and appearance can occur due to construction differences in upholstery covering (fabric & leather). Measurements should be used as a guide only. Icons above are for demonstration purposes and are not a replica of the actual product.
