

About The Range

With beautifully rounded edges, considered metal detailing, and touches of opulent marble and travertine, the Rowe range showcases craftsmanship at its finest. Blending form with function, each piece offers practical versatility while maintaining a refined, architectural presence that quietly elevates any space.

How to measure

Get accurate measurements by referring to the below.

*Please note: variations in dimensions and appearance can occur due to construction differences in upholstery covering (fabric & leather). Measurements should be used as a guide only. Icons above are for demonstration purposes and are not a replica of the actual product.
