

## About The Range

Chic and sophisticated vertical channel tufting incases the interior of the chair. The Siena is upholstered entirely in a tactile and dimensional, rich green boucle. Feature cut out detailing in the frame of this model enhances the soft curves that echo throughout this retro design. A practical accent occasional chair for a number of interior settings.

## Options

	WIDTH	DEPTH	HEIGHT
Occasional Chair	700mm	680mm	720mm

## How to measure

Get accurate measurements by referring to the below.

\*Please note: variations in dimensions and appearance can occur due to construction differences in upholstery covering (fabric & leather). Measurements should be used as a guide only. Icons above are for demonstration purposes and are not a replica of the actual product.
