

About The Range

Brighten your outdoor spaces and set the mood with our Solstice Outdoor Lamps in Small, Medium and Large, designed to illuminate and enhance your alfresco ambiance all year round. Their modern, minimalist design seamlessly blends into any outdoor environment, effortlessly transforming your space from day to night. Crafted with durable rotation-moulded PE light bulbs and sturdy powder-coated aluminium loops these lamps combine practicality, excellent weatherability and style all in one.

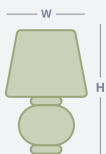

Customise your lighting experience with two temperature settings – candlelight warm white or cool white – and two brightness options, 50% or 100%. For added ambiance, set your Solstice Outdoor lamp to candlelight flickering mode. Simply recharge with the provided USB cable as needed to keep the summer nights glowing!
