

## About The Range

Designed for the modern-minded with meticulous attention to detail, our Stevie Modular proves that functionality, flexibility, and leading-edge style can coexist in the same sentence. It showcases clean, well-defined lines, generous dimensions, and precise top-stitch detailing with distinctive feature flange seams that elevate the sleek and sophisticated appearance.

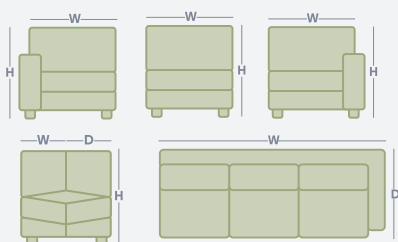

With integrated power motion functionality that gives you the freedom to tailor your seating position to perfection, USB charging capability, and the innovative 'Home Button' technology that allows for the immediate return of any reclined position to a neutral 'home' position, all while being upholstered in our buttery Solana Leather, the Stevie is undoubtedly top-tier.

## Product Range

## How to measure

Get accurate measurements by referring to the below.

\*Please note: variations in dimensions and appearance can occur due to construction differences in upholstery covering (fabric & leather). Measurements should be used as a guide only. Icons above are for demonstration purposes and are not a replica of the actual product.
