

# Prescott

## OVERVIEW

The Prescott Power Recliner range redefines relaxation with modern functionality and tailored comfort. Available in two sizes, it's designed to deliver the perfect fit for every user. The standard model offers classic support and the larger size provides extra height, depth, and weight capacity. Both sizes feature dual power functionality with independent back and leg control, a power-adjustable headrest, and a smart USB port that automatically powers down when not in use. With a built-in lithium battery back-up and the choice of premium leather or soft fabric covers, Prescott blends practicality, technology, and comfort in one sleek design.

## FEATURES & OPTIONS

- Dual power recline with independent back and leg control
- Power-adjustable headrest for personalised support
- Smart USB port with auto-off technology
- Built-in lithium battery back-up for uninterrupted comfort
- Compact design ideal for apartments or smaller living rooms
- Available in premium fabric or leather

## HOW TO MEASURE

## IN THE RANGE

		W	D	H
	Power Plus Recliner	790mm	920mm	1030mm
	Larger Power Plus Recliner	840mm	970mm	1070mm
	Power Lift Chair	790mm	920mm	1030mm
	Large Power Lift Chair	870mm	970mm	1070mm

**\*Please note:** variations in dimensions and appearance can occur due to construction differences in upholstery covering (fabric & leather). Measurements should be used as a guide only. For current covering options please contact your local retailer. Icons above are for demonstration purposes and are not a replica of the actual product.
